

# FRIENDS OF ROWAN - FUNDING IDEA FORM

Please email your completed form to [friends@rowanprepschool.co.uk](mailto:friends@rowanprepschool.co.uk) to be added to our list of future funding ideas to be discussed with school.

The Friends of Rowan Association ('FoR) is a registered charity (No. 1058466). Under its Rules and Bylaws, FoR's purpose is to advance the education of pupils at Rowan Preparatory School by providing facilities and engaging in activities which support the School. The aim is to fund what can be described as "extras", rather than "essentials" that the School should be expected to fund.

Suggestions for Funding Requests may be made by the School, the FoR Committee, or any individual parent member. The FoR Committee discuss proposed funding ideas with Mrs Raja (Headmistress, FoR Trustee) and Mrs Langham (School Business Manager). Consideration is given to good coverage of both Hill and Brae pupils, different areas of the curriculum, and tangible equipment and resources as well as some educational experiences for pupils. (Note: Funding requests of more than £500 require approval from parent members in a vote coordinated by the Class Reps.)

Name

Date

Please provide a description of your funding idea in the box below, including the benefit to the School/pupils. (If available, please include an estimated cost and/or any information you already have on potential suppliers.)
